Vaccinations and Diagnostic Tests: We feel responsible to do all that we can to protect your pet, as well as our other boarding guests, against infectious and parasitic diseases. Therefore we require up-to-date vaccinations and laboratory tests for all boarding guests. If vaccinations or diagnostic tests are due at the time of boarding, we request to have them updated prior to arrival to keep your pet and the guests healthy. A **comprehensive physical examination** in the amount of \$54.000 is performed on your pet by our veterinarian prior to any vaccinations being given.

Required Vaccinations and Diagnostic tests for boarding are 1) **Comprehensive Examination** Canine and Feline (if vaccinations are due), 2) **Canine DA2PP** (canine distemper)/**FVRCP** (feline distemper), 3) **Canine Leptospirosis**, 4) **Canine Influenza H3N8 and H3N2**, 5) **Feline/Canine Rabies**, 6) **Canine Bordetella**, and 7) **Intestinal Parasite Screening** Canine and Feline within the past 6 months.

We have bedding, toys, bowls, and leashes for your pet's stay so you can leave them at home. We offer an in-house gastrointestinal diet to feed while here but we do recommend to bring food and any needed medications in the original prescribed container from home. Once you arrive, please allow 5-10 minutes at check-in to sign the necessary forms and review any additional information.
